WHAT IS A PIRATE PUZZLE HUNT?

A pirate puzzle hunt is a combination of finding clues, solving puzzles, and walking in the park (NOT walking the plank).

By following our Treasure Map, you will be led to a series of clues set up along a 1-mile path in a local park; once you solve the puzzles included with each clue, you'll be able to unlock a treasure chest full of small prizes to take home.

WHAT IS THE RECOMMENDED AGE FOR PIRATES AND THEIR CREWS?

This hunt is ideal for younger buccaneers, ages 2-12, and their families. BUT, even if you don't have kiddos in your community right now, you are absolutely welcome to come check it out, enjoy the park, solve puzzles, dress up in pirate gear, GET YOUR PRIZES, and let us know how we could adapt a future Hunt to be even more fun for pirates of all ages.

HOW DO I SIGN UP?

To get your Treasure Map and Instruction Guide, register to participate through the QR code on our flyer and complete a quick survey from Civic Wellbeing Partners. After that, you'll get a confirmation email from us with all the info you need for your pirate adventure.
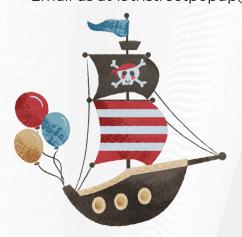

WHEN IS THE HUNT?

The Hunt will open on Saturday November 4 at 8am, and close at 6pm on Sunday November 12. We will do our best as your Pirate Puzzle Captain and First Mate to make sure the clues AND TREASURE CHEST FULL OF PRIZES are available everyday, which means you can go whenever is right for you and your shipmates.
